RoHS-Statement of compliance

Würth Elektronik GmbH & Co. KG herewith declares for all printed circuit boards with the following surfaces:

- **Chemical silver**
- **Chemical nickel / electroless gold plating**
- **Chemical tin**
- **Lead-free HAL**

compliance with the following guidelines:

- **2011/65/EU „RoHS“ – Restriction of Hazardous Substances (in EEE)**
- **2012/19/EU „WEEE“ – Waste of Electric and Electronic Equipment**
- **2000/53/EC „ELV“ – End of Life Vehicles, 2002/525/EC**
- **1907/2006/EU „REACH“ Registration, Evaluation and Authorisation of Chemicals**
- **Beyond EU law, all corresponding German directives**

For further details on flame proofing agents contained in the basic material please refer to the statement of the manufacturer.

Within the framework of Würth Elektronik's environment management system all legal regulations are frequently observed and aligned with company procedures. Therefor Würth Elektronik can confirm the compliance with European and German regulations.
