Reason for Changes:
Discontinuance. Part Status Changed, TE has decided to obsolete the IMC Industrial Micro Connector and MMP Product line by obsoleting PNs, thereby bringing the identified product line to end of life status. A last time buy is being offered to customers, however any orders and shipments schedule will be subject to our discretion, i.e. Really large orders or items not manufactured for long time may not be accepted. Due to the modular nature of this product the list below may not be exhaustive but it attempts to capture all products that have been purchased or structured over the past 5 years. Any part numbers not in the list but part of IMC range are also to be considered discontinued. Dear Customer, you are receiving this notice because TE Connectivity has record of you purchasing a part or multiple parts on the list below. Within our continued efforts to manage optimize our product portfolio throughout the life cycle, we've made the decision to obsolete the parts stated thereafter.
