Certificate of Compliance **RoHS and REACH**

Dear Customer,

Hereby we confirm that our products are developed and produced in accordance with the regulations of Directive 2002/95/EC (RoHS Directive) / Update RoHS Directive 2011/65/EU and the European Union Regulation No. 1907/2006 (REACH, Registration, Evaluation and Authorization of Chemicals) included the Regulation (EU) No 301/2014 amending Annex XVII to Regulation (EC) No 1907/2006 of the European Parliament and of the Council on the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

According to the Canadian regulation SOR / 2014-254, we also confirm that our products contain no mercury.

Under observation of all specified limits we confirm that all products from CONEC are in compliance with these directives.

We kindly inform you that we deploy copper alloys in certain products, which may contain a mass fraction up to 4% lead. Following Annex III in accordance with exception 6c of the directive 2011/65/EU, a maximum concentration up to 4% is tolerated.

According to current information, CONEC is considering exception 6c will be verified and confirmed by the EU Commission in 2016.

In regular intervals at least once a year, a check up will be made in order to approve and comply with the directives.

Yours sincerely
