

## RoHS Declaration of Conformity

This declaration refers to the products listed in Appendix 1 (RoHS Standard Product List).

We hereby declare that the products listed in the appendix are to the best of our knowledge in accordance with the European Union Directive 2011/65/EU (RoHS II), and do not intentionally contain RoHS restricted substances above the maximum allowable limits.

Restricted substances and maximum concentration values tolerated by weight in homogeneous materials (as per Annex II of Directive 2011/65/EU):

Substance	Maximum Limit
• Lead	0.1%
• Mercury	0.1%
• Cadmium	0.01%
• Hexavalent chromium	0.1%
• Polybrominated biphenyls (PBB)	0.1%
• Polybrominated diphenyl ethers (PBDE)	0.1%

Products containing the substances listed in the table above, in concentrations below the maximum limits, are understood to be in compliance with Directive 2011/65/EU of the European Parliament on the restriction of the use of certain hazardous substances in electrical and electronics equipment.

RoHS compliant products are identified by the letter "R" as integral part of the product's date code:  
e.g. yywwR

Pulse Transformers	IT	2005/07/18

**Note:**

All product versions, options, terminal and housing styles are covered under the respective product family name listed above.

**Example:**

FN9222 also covers FN9222B, FN9222E, FN9222R, FN9222Z, FN9222-HI...with terminals -06, -07..., S-types, S1-types, U-types...

**Document History**

Date	Changes	Remarks
Oct 24, 2012	Initial Revision	
Apr 25, 2013	New Product Group "Power Cords with Locking System" added	
Jan 14, 2015	RWK304 and RWK211 family added
