

RoHS/REACH Certificate of Compliance

Declaration in regards of RoHS-Directive 2011/65/EU and REACH Regulation 1907/2006

We herewith certify that to the best of our knowledge all our products and all packaging material is manufactured in accordance with the RoHS-Directive 2011/65/EG and the PFOS-Directive 2006/122/EG and do not contain any of the materials listed below. If any of these materials are present, it can only be in traces and well below the limits given with this standard.

- Cadmium (Cd)
- Hexavalent chromium (Cr⁶⁺)
- Lead (Pb)
- Mercury (Hg)
- Polybrominated biphenyls (PBB)
- Polybrominated diphenyl ether (PDBE) including deca-BDE
- Perfluorooctane sulfonate (PFOS)
- 163 SVHC materials according to the REACH candidate list dd. 06/15/2015

Regarding the REACH regulation we can confirm, that MPE-Garry is a Downstream-user solely. For all our products we only use substances which are from well known manufacturers, very much usual in the market and in accordance with this regulation (Annex XVII). We will verify the registration of all these substances on schedule and get them registered together with the manufacturer if needed.

We also certify that none of our products contains any substances in nano particle state.
